Small Caps Slide Into A Bear Market; Nasdaq Also Falls Hard

07:14 PM ET - Small-cap stocks officially entered a bear market amid a wide-ranging sell-off Wednesday, fueled by the lowest oil prices in a dozen years. Brent crude futures touched below \$30 a barrel, accelerating the stock market's decline. Brent oil marked lows not seen since April 2004 and has now fallen nearly 74% below its June 2014 peak of \$114.81 a barrel. The ... [More »](#)
